

OFFICE OF HOMELAND SECURITY

GRANT MANAGEMENT MEMORANDUM (GMM)

2008-033

Date: September 10, 2008
To: All Office of Homeland Security (OHS) Transit Subgrantees
From: Grants Management Division Transit Security Grant Unit
RE: FY 2007-2008 Proposition 1B Application Deadline

In accordance with Grant Management Memorandum 2008-007, after award notification participating agencies have up to two weeks to complete and submit the required Proposition 1B application documents. All application documents for the FY 2007-2008 were due to OHS by June 30, 2008.

Since this date has passed and there are agencies with overdue Proposition 1B application documents, OHS is issuing this memorandum to inform those agencies that the FINAL filing date is September 30, 2008. If the application process is not completed by this date all projects previously approved by OHS will no longer be valid. The project awards will revert back to the States' Transit System, Safety, and Disaster Response Account. Agencies will have the opportunity to reapply for the FY 2007-2008 awards during the following year's grant cycle. The performance period for unused FY2007-2008 funds will not change, and will end March 31, 2011.

Sincerely,

A handwritten signature in black ink that reads "John Isaacson". The signature is stylized with a large, looping "J" and a cursive "Isaacson".
